**Subject:** Discovery Packet Request

Good afternoon ADA Bahnson. Our lab received several requests from you for discovery packets. We have a little confusion about the lab numbers and I just wanted to make sure that this was all the same case. This is what I have:

Defendants

Lab Number

As you can see, there are 2 requests with the same lab number but with different defendants. I didn't know if there was a mix-up with the lab number for the [REDACTED] request or if it is all part of the same case. In regards to sample number [REDACTED] we also have a [REDACTED] with [REDACTED] listed as the defendant. Will you need the data for that sample as well? Thanks for your time. Once we get this straightened out, we'll get the packet out to you asap.
